

**From:** ELLIOTT F CHARD  
**To:** Microsoft ATR  
**Date:** 1/25/02 9:58pm  
**Subject:** MICROSOFT SETTLEMENT

I urge that the JUSTICE DEPARTMENT to accept without further litigation, the proposed compromise settlement being considered. Further litigation would only feather the nests of Microsofts competitors, the Attorneys involved, Lobbyists, and those who would further punish Microsoft. I feel any further action would be detrimental to Seniors like myself in the use of our home computers.

Sincerely

Elliott F. Chard
